

FERENC HORVATH AND STEPHEN SCHULTZ RESIGN FROM FALCON BOARD OF DIRECTORS

Schultz to Take on Full Time Management Position as Head of Corporate Communications at Company

Denver, CO, December 21, 2009 -- Falcon Oil & Gas Ltd. (TSXV: FO) ("Falcon" or the "Company"), a global energy company focused on acquiring, exploring and developing large acreage positions of unconventional and conventional oil and gas resources, today announced that Professor Ferenc ("Frank") Horvath and Stephen Schultz have resigned from the Board of Directors of Falcon, effective immediately. Both Professor Horvath and Mr. Schultz will not stand for re-election at the upcoming annual and special meeting of the shareholders to be held on December 22, 2009.

Commenting on the moves, Dr. Gyorgy Szabo, Falcon Oil & Gas Ltd.'s Chairman of the Board of Directors stated, "Frank and Steve's contributions were considerable during their tenure on our board and the company was well served by their counsel and advice. We thank them both for their efforts. Steve will now join the Falcon management team as our head of corporate communications. He has solid experience in this arena, particularly as an investor relations executive, and his new role will keep him actively involved with the Company. Falcon can now look to identify alternative candidates who will bring added experience and perspective to the Board of Directors."

In the interests of providing Company shareholders and potential investors with information regarding the Company, including the Company's assessment of its and its subsidiaries' future plans and operations, certain statements included in this press release may constitute forward-looking information or forward looking statements (collectively, "forward-looking statements"). All statements contained herein that are not clearly historical in nature are forward-looking, and the words "anticipate",

"believe", "expect", "estimate" and similar expressions are generally intended to identify forward-looking statements. Similarly, forward-looking statements in this press release include, but are not limited to anticipated developments of the Company's various drilling projects and the timing thereof, capital investment levels and the allocation thereof, pipeline capacity, government royalty rates, reserve and resources estimates, the level of expenditures for compliance with environmental regulations, site restoration costs including abandonment and reclamation costs, exploration plans, acquisition and disposition plans including farmout plans, net cash flows, geographic expansion and plans for seismic surveys, or successfully engaging a partner in any of the Company's endeavours. In addition, please note that statements relating to "reserves" or "resources" are deemed to be forward-looking statements, as they involve the implied assessment, based on certain estimates and assumptions, that the reserves and resources described can be profitably produced in the future. Such statements represent the Company's internal projections, estimates or beliefs concerning, among other things, an outlook on the estimated amounts and timing of capital expenditures, anticipated future debt levels and incentive fees or revenues or other expectations, beliefs, plans, objectives, assumptions, intentions or statements about future events or performance. These statements are only predictions. Actual events or results may differ materially. Although the Company believes that the expectations reflected in the forward-looking statements are reasonable, it cannot guarantee future results, levels of activity, performance or achievement since such expectations are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors could cause the Company's actual results to differ materially from those expressed or implied in any forward-looking statements made by, or on behalf of, the Company and the foregoing list of important factors is not exhaustive. These forward-looking statements made as of the date hereof disclaim any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise. Company shareholders and potential investors should carefully consider the information contained in the Company's filings with Canadian securities administrators at www.sedar.com before making investment decisions with regard to the Company.
