

Falcon Oil & Gas Ltd.

Termination of the Overriding Royalty Interest with CR Innovations AG

3 October 2018 - Falcon Oil & Gas Ltd. (TSXV: FO, AIM: FOG, ESM: FAC) notes the following.

Falcon Oil & Gas Australia Ltd. (“Falcon”) and Origin Energy B2 Pty Ltd. (“Origin”) entered into a call option agreement in 2014 with CR Innovations AG (“CRIAG”) to acquire its remaining 1% overriding royalty interest over the Beetaloo Sub-basin exploration permits EP76, EP98, and EP117 in the Northern Territory, Australia (“ORRI”). Under the relevant agreement, Falcon and Origin had a five-year option to terminate the ORRI at a cost of US\$5 million, to be paid in proportion to their respective interests in the exploration permits.

CRIAG was adjudicated bankrupt on 21 March 2017 following which Falcon and Origin approached the liquidator of CRIAG (the “Liquidator”) with a view to terminating the ORRI. Falcon and Origin have signed a termination agreement with the Liquidator and paid CHF150,000 (approximately US\$151,000) to the Liquidator and the 1% ORRI has been terminated.
